

**From the  
Administrator's  
Desk...**

*As I write this, we are having (finally!) some beautiful spring weather! It is a time to enjoy sunshine, plant things and see them grow over the summer months.*

*We had a Ministry Inspection in May, and I am happy to tell you there were **no** compliance issues which we are always glad to share.*

*We celebrated **Nurses**- RNs, RPN's and our Nurse Practitioner in May during National Nursing Week as well as our fabulous **PSW's** during PSW Day! There were a lot of laughs and fellowship, and a highlight is always recognizing our **resident** Nurses and PSW's 😊*

*Wishing all the dads a wonderful **Father's Day** this month and we look forward to seeing you!*

**Sincerely,  
Susan Poirier**

**Updates from the Dietary Department~**

As we welcome the month of June, we would like to share some of the special moments and updates from May here at Dundas Manor.

During May, we had the pleasure of celebrating Mother's Day with our residents and families. To make the occasion extra special, residents enjoyed a delicious Strawberry Square Cake as part of the celebration. We hope all our moms and families felt appreciated and enjoyed this meaningful day together.

We are also excited to share that our new spring/summer menus have now been finalized with the support and feedback of our residents. Resident input is very important to us, and we are grateful for all the ideas and suggestions that helped us create menus that are seasonal, enjoyable, and comforting.

Looking ahead, we are excited to begin our summer BBQ lunches. BBQs will take place every Wednesday throughout the season, featuring different meal options rotating every three weeks. We hope these meals will bring enjoyable summer experiences, fresh seasonal flavors, and opportunities for residents to gather and socialize.

Thank you for your continued trust and support. We are grateful to be part of your loved ones' home and care

Warm regards,

**Andrea Munoz-Alvarez,**

As we welcome the month of June, we are excited to embrace all the warmth, sunshine, and meaningful moments this season brings to our home.

June is a special time of year, filled with opportunities to get outdoors, reconnect, and celebrate together. **June is Seniors Month!** I know some special ones. We look forward to honoring our residents with a Celebrating seniors' afternoon. We also plan to have a morning review of all the **Residents Rights** laid out for us in the Resident Bill of Rights document from the Ministry. It is important information and we hold it close to hearts each day in all our interactions with our residents.

Our programs this month will reflect the best of the season—including fresh air and fun! Residents can enjoy bike rides, relaxing and social patio programs, and some of our **favorite outdoor BBQs**. There's nothing quite like gathering in the sunshine to share good food, laughter, and connection. We are also excited to welcome the start of strawberry season, which always brings with it sweet treats and special moments—whether it's enjoying a fresh dessert or reminiscing about favorite summer traditions and recipes ...that often include strawberries. **See the Save the Date section for our upcoming Strawberry Social.**

Each month I review our planning session from January, and you will see new program ideas coming to life alongside the well-loved favorites our residents look forward to each week. We're committed to offering a balance of innovation and familiarity, ensuring there's something meaningful and enjoyable for everyone. Some residents enjoy most things going on and others rarely partake; we do our best to keep checking in on all residents and meet them where they are at. I was over to the **new home** this week, each time I go, I am amazed at the progress! So exciting to see our dream finally coming to life! Be sure to come to Residents' Council to see the latest and greatest pictures!

**Shout out to Volunteer Tara!**

She recently Collected 1877 cans from the ditches along her road. This resulted in \$227.50

She and her family have been keeping the roadways cleaned in the Spring for many years! I remember her Aunt Stella Rose doing this for years.
