That Smells Wonderful!

Fragrant fundraiser for the new Dundas Manor underway

Shelley Robertson believes everyone should “Fill your life with fragrance”. Now she has launched an event to help us do just that - and raise funds for the new Dundas Manor at the same time!

Shelley is an Independent Consultant for the company Scentsy, and she is offering a delicious brand of exclusive car bars that can fill your car (or home) with beautiful new scents. Three bars sell for \$23 and you can choose from 28 different fragrances. But just until December 8th – so get yours today!

Shelley is donating 100% of her commissions to the Expanding the Circle of Compassionate Care campaign, noting that seeing the community rally around the Dundas Manor campaign has inspired her to give back too: “Growing up the area, it went unnoticed how fortunate we were to have such wonderful resources so close to home. It wasn’t until I was an adult that I realized that Winchester District Memorial Hospital went above and beyond for everyone who went through the doors. Seeing the care my father received in his last few days made the need to give back obvious to me. Thank you to all the people who make WDMH and Dundas Manor special each and every day.”

Thank you to Shelley for this unique fundraiser in support of Dundas Manor! For all the details, visit <https://bit.ly/ScentsyForDundasManor> or call 613-218-2126.
