All FORE One! - 'Swinging for Seniors' helping to build the new Dundas Manor

Spring is here and so is the golf season – all in support of the new Dundas Manor. From May 22nd to 25th, you can hit the links and help keep the magic going at our local long-term care home.

'Swinging for Seniors' takes place at Cloverdale Links Golf Course (located on Highway 31 just north of Winchester) over four consecutive days and promises something for everyone.

This is not a tournament - just a normal golf day, with a few special extras! There will be a couple of fun games each day (for a small fee) and daily prizes for the longest drive and closest to the pin. Golf any or all the days! Regular green fees and cart rental fees apply - with 50% of those fees being donated by Cloverdale Links to the new Dundas Manor.

"The Manor is an important part of health care in the area. We believe in supporting our community – and we're happy to help fundraise to build the new home!" explain Gib & Elsie Patterson, owners of Cloverdale Links.

"Thank you to Gib and Elsie, their staff, and their mighty team of volunteers," notes Campaign Assistant Cindy Ault Peters. "We are so grateful to those in our community who are jumping on board – or in this case, hitting 'em straight – to support our campaign."

Tom Clapp is one of those volunteers and says he was happy to jump on board. "Gib and Elsie are good friends. They had a great idea and asked me to lead the way. We didn't want to do just a one-day tournament – we wanted to go big! So, we are!"

Tom says it feels good to give back: "My wife Jan and I have always been focused on supporting our hospital and our long-term care home. It's about health care close to home."

"This is a fun event for both regular golfers and those who just want to have some fun and support the cause!" sums up Campaign Assistant Cindy Ault Peters. "Everybody wins!" For sponsorship opportunities for this event, please contact Cindy at 343-572-6345 or cpeters@wdmh.on.ca.
